Revive Me, O Lord

**Lord Jesus, I love you,
and thank you for dying on
the cross and rising from the
dead so my sins are forgiven
and my spirit made new.
Help me surrender to
Your will today, and turn from
every thought, word or action
that dishonors You.
Release in me now Your perfect
faith, wisdom, courage and power.
Release in me now Your perfect
love, joy, peace and protection.
I ask these things in Your
precious holy name. AMEN!**
